

Countries Served

Panitch Schwarze Belisario & Nadel LLP provides extensive Patent and Trademark legal services. Our domestic and international presence allows individuals and companies to resolve complex trademark and patent disputes no matter where in the world they occur. Our expertise in various industries gives us the flexibility to meet the demand of our clients within the global market.

Our experienced attorneys and advisors offer a wide range of intellectual property legal services, including patent searches, patent applications, trademark searches, trademark applications, copyright applications, due diligence, and intellectual property agreements, including licensing and non-disclosure agreements. We understand the issues facing business leaders today and offer practical and innovative advice to help our clients reach their goals, manage their risk, and make good business decisions.

We represent United States clients with respect to their intellectual property issues in foreign countries with assistance from a long-standing network of high-quality overseas law firms. We also represent clients based in foreign countries with respect to their needs in the United States. Below is a list of countries with which we have such experience.
