## IP Protection

Focused on matters solely involving intellectual property, our firm protects and enforces your company's most valued intellectual property assets. We have a highly specialized team of advocates that provide litigation, licensing, and strategic counseling services relating to patents, trademarks, copyrights and trade secrets. Our team of approximately 25 patent and trademark practitioners has extensive experience across all areas of science, with specialized degrees (many with advanced degrees) in areas such as mechanical, electrical, biomedical and chemical engineering, microbiology, chemistry, and physics. We are committed to understanding the intricate products and processes of our clients, tailoring our services to meet unique client needs and advise on the best forms of protection.

The firm's clientele spans across industries, running the gamut from the pharmaceutical industry to the gaming and toy industry. Whether assisting an individual inventor in securing a trademark or representing a Fortune 500 company in high stakes litigation, Panitch Schwarze Belisario & Nadel LLP addresses each client need with the responsiveness and personalized attention characteristic of a sophisticated boutique firm. Below is a list of industries with which we have extensive experience.
